

# IDEA Innovation Partnership Grants- New Brunswick (AY 23-24)

---

Inclusion, Diversity, Equity, and Advocacy Innovation grants, Partnership track, support projects that enable students, faculty, postdoctoral researchers, and staff across Rutgers University to take an active role in building an inclusive community. As we invest in broader institutional efforts to advance equity, the IDEA grant program offers a way for innovative grassroots efforts to join in our larger strategy. We invite projects that encourage understanding and learning, invest in relationship-building across difference, and offer new ways to promote equity and diversity to achieve our goal of an inclusive university culture.

## Application Instructions

1. Only applications submitted using the Qualtrics form will be reviewed; email submissions will not be accepted.
2. Supporting documentation is required to substantiate proposals, for example: a letter of support when proposing work with a community partner.
3. Budget information must be comprehensive and justified, incomplete budgets or sparsely described grants will be disqualified.

Notes: Funding is limited and not guaranteed. Applications will reviewed by a committee and additional information may be requested. **Priority Deadline: Wednesday, November 16th at 12:00pm (Eastern)**

Have questions? Write to [diversity@rutgers.edu](mailto:diversity@rutgers.edu).

SAMPLE

Title of project

---

Please provide a brief description of the project (limit response to 200 words)

---

---

---

---

---

IDEA innovation grants aim to fund initiatives that 1) improve climate, culture, and community building, 2) promote access, advocacy, and equity, and 3) equip individuals and community through training, learning, and development. Please describe how the proposed project advances one or more of these goals. (limit response to 200 words)

---

---

---

---

---

What is the intended impact of this project? What types of outcomes do you expect for participants and campus community? How will you know that the outcomes were achieved? (limit response to 200 words)

---

---

---

---

---

We are interested in partnership approaches to promote community building. How does this project address collaboration? Briefly describe how collaborating units are equipped to support the proposed project. (limit response to 200 words)

---

---

---

---

---

How does this project encourage understanding and learning, invest in relationship building across difference, and offer new ways to promote equity and diversity? If you are proposing a one time event, please make the case for how this project sustains an inclusive university culture. (limit response to 200 words)
